

Greetings,

Safe Kids Georgia will host our bi-annual Leadership Conference. This conference is designed specifically for Safe Kids coalition coordinators and injury prevention professionals. I am writing to request your approval for the Safe Kids coalition coordinator within your lead agency to attend the 2022 Leadership Conference, held May 2-3, 2022 at Atlanta Evergreen Marriott Conference Resort in Stone Mountain, Georgia.

At the conference, attendees will be able to take part in educational sessions led by injury prevention experts and learn about innovation across the field. The resources and ideas gained at this year's conference will help coalitions be even more efficient in delivering community programming and advancing prevention education in your community.

All conference and hotel expenses for a local coordinator and one coalition member will be covered by the State Office. The deadline to register for the conference is on **Friday, March 25th, 2022.**

Due to hotel policy, we are required to submit a final head count in advance of the conference, therefore no shows/cancellations will incur all hotel fees.

As a post-conference follow-up, attendees are encouraged to prepare a brief summary for their lead agency including key industry takeaways, best practice tips, and a set of recommendations to maximize growth opportunities for the coalition. Thank you for considering this request for approval for the Safe Kids Coalition Coordinator to take part in this valuable experience.

Thank you,

A handwritten signature in black ink that reads "M Walker".

Michelle Walker
Director, Safe Kids Georgia
